

Cathedral School of Saint Mary 2017 Fall Festival

Dear Prospective Sponsor:

Cathedral School of Saint Mary will hold its Annual Fall Festival celebration on Sunday, October 29, 2017, from 9:00 a.m. until 6:00 p.m. The Cathedral School of Saint Mary was established in 1866 and has the great distinction of being one of the longest running Catholic School in Texas. Our Fall Festival allows the school community to share its faith and rich traditions with the Austin Community while raising funds to improve the technology in the classrooms, support school activities and help support our Tuition Assistance Program. All proceeds from this event go directly to the school. Our Fall Festival is open to the entire Austin community, as well as to our school family and friends, and 3,500 registered Cathedral parish families.

The Cathedral School of Saint Mary offers a quality educational program to serve youth from PK-3 to 8th grade and their families in Austin and the surrounding areas. The Cathedral's longest active ministry, is an accredited Catholic school that continues to develop students into exemplar models of the community. Through its solid academic and Catholic curriculum, Cathedral School instills excellence.

Your tax-deductible sponsorship is greatly needed to enhance our students' educational resources and support the Tuition Assistance Program to help keep tuition costs affordable for families. Cathedral School Tuition Assistance Program makes private school education affordable and accessible to families who may not otherwise afford a faith-based education.

Please accept our gratitude in advance for your consideration and generosity. You can learn more about our school at www.smcschoolaustin.org. Attached you will find a list of sponsorship opportunities for this event.
